Recording Rates

Need to record an Album, EP, Single, Demo? Live Band or just Vocals? We provide hourly, daily and lock out rates depending on your needs and the scope of your project. We can record and/or compose, produce, and even put you in touch with session musicians and songwriters.

BonaFideStudio offers affordable recording rates without compromising on quality. Feel free to bring your own backing tracks along, or we have experienced producers and session musicians available to assist you in bringing your music to life! We offer a refreshingly personalised service to all our clients. Our studio interns and 'no paid advertisement' policy make our rates easy on the pocket.

Our recording rates start from only £20 per hour with our engineer. (Based on 8-hour day):

For our senior sound engineers and producers' rates please add additional £5 per hour on top of the rates below. When you book, please specify.

Recording Rates	8 Hour Day	Less than 8 hours
With engineer	£160 (£20 / ph)	£25 / ph
With engineer / programmer / producer	£200 (£25 / ph)	£30 / ph
